27. Elisha Helped a Poor Widow

2 Kings 4:1-7 CEV

One <u>day</u> the <u>widow</u> of one of the LORD's <u>prophets</u> said to <u>Elisha</u>, "You know that <u>before</u> my <u>husband</u> died, he was a <u>follower</u> of yours and a <u>worshiper</u> of the LORD. But he <u>owed</u> a man some <u>money</u>, and now that man is on his way to take my two sons as his slaves."

"Maybe there's something I can do to <u>help</u>," Elisha said. "What do you have in your <u>house</u>?"

"Sir, I have <u>nothing</u> but a <u>small bottle</u> of <u>olive oil</u>."

Elisha told her, "Ask your <u>neighbors</u> for their <u>empty jars</u>. And after you've <u>borrowed</u> as many as you can, go home and shut the door behind you and your sons. Then begin filling the jars with oil and set each one aside as you fill it." The woman left.

Later, when she and her sons were back <u>inside</u> their house, the two sons <u>brought</u> her the jars, and she began <u>filling</u> them.

At last, she said to one of her sons, "Bring me another jar."

"We don't have any more," he answered, and the oil <u>stopped</u> flowing from the small bottle.

After she told Elisha what had happened, he said, "Sell the oil and use part of the money to pay what you owe the man. You and your sons can live on what is left."
